## Academic

### 1. U1 Rep / VP Admin Elections

Are you a U0 or U1 student in Mech Eng? Are you ready to be a leader on campus? If yes to both of these, then MAME is looking for you!

If you are interested in joining the amazing council that hosts the sickest professional, academic, and social events, in-class elections will be held at the start of class in the MECH 201 lecture on Wednesday, September 13th. (McConnel 204, 1130am)

If you have any questions on the positions, contact:

Former U1 Rep - Nick Clarke - [mame.u2rep@mcgilleus.ca](mailto:mame.u2rep@mcgilleus.ca)

Former VP Admin - Kevin Alforque - [mame.vpevents@mcgilleus.ca](mailto:mame.vpevents@mcgilleus.ca)

President - John Karpuk - [mame.president@mcgilleus.ca](mailto:mame.president@mcgilleus.ca)

---

## Professional

### 1. MECHMadness (RA RA RA)

MechMadness is MAME's annual multiday industry tour. The trip, which occurs in a different city each year, helps introduce its participants to the engineering industry. Tours take place in the first two days while sightseeing and interaction with the local engineering students occurs in the evenings. Fewer than 50 tickets will be sold so make sure you grab yours as soon as we begin tabling. More information (such as sales dates) will be coming soon so stay tuned!

MECHMadness dates: September 21st to September 23rd.

---

## 2. Labatt's Info Session

Labatt's Global Management Trainee Program is the best introduction to the way Labatt does business. Period. It'll give you a cross-functional understanding of the business and set you up for rapid growth. Visit [labattjobs.com](http://labattjobs.com) for more details since applications have now opened!

Join them at their info session on Monday, September 18th, 2017 at 5:30pm at McGill University! This is exclusively for McGill students, allowing you to get a chance to network and learn all of the opportunities with Labatt! Registration is available on McGill's career website.

## 3. Skills21 Workshop

SKILLS21 is your path to essential skills development at McGill! SKILLS21 is a new skills development program for McGill undergraduate students that includes workshops in five streams: Citizenship, Collaboration, Discovery, Leadership, and Wellbeing. Gain the skills you need to help you achieve your potential at McGill and beyond. Registration is open September 1-30. [Learn more and register today!](#)

---

Riddle me this: Because it already had a million degrees!  
~Wishing that we all get through this one~

Cheers,

Fariha Hassan  
Vice President Communications  
McGill Association of Mechanical Engineers (MAME)
